Maize Production Research Application Form

Date of Application:	
Type of Application (New or Continuation):	
Title of Research Project:	
Name and Trading Name of the Institution/Employer:	
Name of Lead Researcher:	
Contact details of Lead Researcher <i>E-mail address:</i> <i>Phone:</i>	
Duration of Proposed Study:	
Amount Required for 1st year of study:	

1. Brief outline of project (250 words)

Please provide a description of the project as an abstract.

2. Rationale (max 1000 words)

The rationale should include 1) the problem statement 2) the unique opportunity being pursued/novelty of project (i.e. why is the project necessary or important?) and 3) an overview of key studies to illustrate work conducted previously (include relevant references).

3. Research objectives and aims

4. Relevance and importance to the South African maize industry

Please provide an explanation of how the project was conceptualized, stakeholders consulted and the envisaged benefits to the industry.

5. Research design

Please provide specifics of the research approach. Trials or experiments planned, replications, etc. Supply enough information for peer-review purposes and supply key references where necessary.

6. Deliverables and milestones

Please present the main deliverables which will be delivered by the end of the study.

Please present bi-annual milestones which represent key stages in the project.

See <https://www.clarizen.com/milestone-vs-deliverable-whats-the-difference/> for more information.

7. Gantt Chart

Please include a detailed Gantt chart to portray the expected timelines of the project.

8. Budget and budget justification

Please present the detailed budget for the full duration of the study, per individual year, as well as co-funding. Clearly indicate the amounts requested from the Maize Trust (per year) for the duration of the project. State how each item of expenditure is relevant to the project, and how the amounts have been calculated (e.g. give a breakdown of travel costs per km, number of trips, etc. instead of only a total for travel cost).

The following items are not eligible for funding:

- The cost of main investigator salary to undertake the research
- Bursary costs (Please refer to <https://agrimanage.co.za/> for bursary applications)
- Insurance costs; and
- Reimbursement of previous expenditure

NB: Overheads should not exceed 15% of budget and any overseas travel costs and capital expenses should be specified.

See below an example of a possible budget layout.

Item	Project total amount	Amount requested from MT	Maize Trust %	Justification
Year 1				
Subtotal year 1				
Year 2				
Subtotal year 2				
Year 3
